ENZED International
Nightfire New Year Series
Round 2
January 16-17 2009

Round 2 of Willowbank Raceway's ENZED International Nightfire New Year Series has been run and won. Scorching heat on Friday afternoon saw the track hit 157° Fahrenheit, with teams struggling to make good times in the fierce heat. Luckily for the both the racers and the photographers on track, as the sun went down it was the action that heated up and remained red hot for the rest of the round. Phil Lamattina won the Top Fuel Group one Bracket, with an accumulated 425 points in the Top Fuel division, knocking out Wicked Quick dragster driver and fellow Mildura resident, Darren Morgan with a 4.83 second pass at 308.86mph. The Top Fuellers were certainly not the only action happening on track over the weekend with some stunning runs in both the top bikes and Nitro funny cars. In the Nitros, rookie Mark Sheehan was fastest, by the victory went to 62 year old Gary Densham when Sheehan was disqualified for clipping a centre cone. In Top Bike, Kiwi ace Athol Williams beat Kim Stevens for win, taking top qualifier, the lowest ET and the top speed for the meeting along the way!

We'll be back at Willowbank on April 18 and 19 for all the action from the Tin Top Titles, with ANDRA Top Doorslammer, Top Alcohol and Pro Stock Motorcycle all on the cards.
